**This is a minimum level of cover and only provides benefits for the services listed below as Included or Restricted.**

**You may still incur out-of-pocket expenses above the amount we pay. Before booking your treatment, call us to find out the benefits you can expect to receive, and any out-of-pocket expenses you might incur.**

### What does it mean?

#### ✓ Included Service

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable. Medibank has arrangements with most private hospitals and day surgeries in Australia - these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room.

#### ! Restricted Service

A Restricted Service is a service where we pay the minimum benefit set by the government towards hospital accommodation.

If you're treated in a private hospital for a Restricted Service, you are likely to incur substantial out-of-pocket expenses because this minimum benefit will not be enough to cover all hospital costs.

For Restricted Services as a private patient in a public hospital we will pay minimum shared room benefits.

#### x Excluded Service

An Excluded Service is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

#### Common and Support Services

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

Medibank does not pay towards cosmetic treatment.

~ For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.

**Accidental Injury Benefit** means that any Excluded or Restricted Service will be treated as if it is an Included Service, where you require hospital treatment as a result of injuries sustained in an Accident. It only applies where the Accident occurred after joining your cover. See your Member Guide for more information.

## ? Things you need to know about your Hospital cover

### Waiting periods

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

### Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

### Accident Waiting Period Waiver

Where a 1-day or 2-month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

### Waiting periods

1 day	Ambulance services.
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.
	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.
12 months	<b>Pre-existing conditions</b> An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period prior to the day on which you became insured under the policy or changed your cover.

### Excess

This is the amount you pay towards your hospital admission (same-day or overnight) before we pay any benefits.

There are two excess levels on this cover; \$500 and \$750.

The excess applies per member, per calendar year and it doesn't apply to child, student or adult dependants on a family membership. Some hospitals may require you to pay the excess at the time of admission.

## ☆ Making the most of your Hospital cover

### Go to a Members' Choice Hospital

Medibank has arrangements with most private hospitals and day surgeries in Australia, so you generally get better value for Included Services if you go to one of these providers.

To find your nearest Members' Choice hospital, visit [medibank.com.au/memberschoice](https://medibank.com.au/memberschoice)

Members' Choice hospitals are subject to change from time to time and are not in all areas.

### GapCover – How to reduce your in-hospital medical out-of-pocket expenses

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-of-pocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.

### Choice of treating doctor or specialist

You can choose your doctor or specialist when you're treated in hospital as a private patient.

### **Surgically implanted prostheses**

For an Included or Restricted Service, we'll pay the minimum benefit as listed in the Australian Government's Prostheses List.

### **Private Room Promise – a special feature on this cover**

If there isn't a private room available at a Members' Choice hospital, you may be entitled to receive \$50 a night, for up to five nights per stay.

#### **The following conditions apply to the Private Room Promise:**

- You'll need to request a private room from the Members' Choice hospital at least 24 hours before your stay;
- Provide supporting documentation to Medibank from the hospital about this request;
- You must be eligible to receive benefits for the treatment you received during your stay;
- Does not apply for same-day admissions, or admissions for sleep studies where Included, or where your doctor specifically requests a shared room for clinical reasons.

### **Travel and accommodation**

We pay benefits for travel and non-hospital accommodation related to an eligible hospital admission. Travel benefits are payable where the patient must travel more than 200km return. Accommodation costs per admission are limited to \$20 and travel costs are set at \$0.15 per km. The total combined benefit payable for travel and accommodation is \$50 per admission. Conditions apply, refer to your Member Guide.
