Here are the services that are Included and Excluded under your Hospital cover.

What does it mean?

✓ Included Service

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable. Medibank has arrangements with most private hospitals and day surgeries in Australia - these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room.

x Excluded Service

An Excluded Service is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

Medibank does not pay towards cosmetic treatment.

Common and Support Services

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

[~] For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.

*Your hospital cover does not include non-PBS drugs. We will only pay towards cancer-related surgery where that surgery is an Included Service under your cover.

[^] For Dental surgery performed by a dentist rather than a medical practitioner we only pay benefits towards hospital charges. If the surgery is performed by a medical practitioner and Medicare benefits are payable, we will pay benefits towards the hospital and medical charges.

⁺ For Podiatric surgery we only pay benefits towards hospital charges. There are no Medicare benefits payable for podiatric surgery. This means we also don't pay any benefits towards the podiatric surgeon's fees under Hospital cover and you could incur significant out-of-pocket expenses.

? Things you need to know about your Hospital cover

Waiting periods

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

Accident Waiting Period Waiver

Where a 1-day or 2-month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

Waiting periods

1 day	Ambulance services.
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.
	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.
	Home nursing.
12 months	Health screening services.
	Pre-existing conditions An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period prior to the day on which you became insured under the policy or changed your cover.
	Continuous Positive Airway Pressure (CPAP)-type devices.

Excess

This is the amount you pay towards your hospital admission (same-day or overnight) before we pay any benefits.

There are four excess levels on this cover; Nil, \$250, \$500 and \$750.

The excess applies per member, per calendar year and it doesn't apply to child, student or adult dependants on a family membership. Some hospitals may require you to pay the excess at the time of admission.

☆ Making the most of your Hospital cover

Go to a Members' Choice Hospital

Medibank has arrangements with most private hospitals and day surgeries in Australia, so you generally get better value for Included Services if you go to one of these providers.

To find your nearest Members' Choice hospital, visit medibank.com.au/memberschoice

Members' Choice hospitals are subject to change from time to time and are not in all areas.

GapCover – How to reduce your in-hospital medical out-of-pocket expenses

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-of-pocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.

Choice of treating doctor or specialist

You can choose your doctor or specialist when you're treated in hospital as a private patient.

Surgically implanted prostheses

For an Included Service, we'll pay the minimum benefit as listed in the Australian Government's Prostheses List.

Private Room Promise – a special feature on this cover

If there isn't a private room available at a Members' Choice hospital, you may be entitled to receive \$50 a night, for up to five nights per stay.

The following conditions apply to the Private Room Promise:

- You'll need to request a private room from the Members' Choice hospital at least 24 hours before your stay;
- Provide supporting documentation to Medibank from the hospital about this request;
- You must be eligible to receive benefits for the treatment you received during your stay;
- Does not apply for same-day admissions, or admissions for sleep studies where Included, or where your doctor specifically requests a shared room for clinical reasons.

Travel and accommodation

Benefits of \$75 per eligible hospital admission are payable for Travel and accommodation.

Travel benefits are drawn from this \$75 benefit limit first – at a rate of \$0.15 per kilometre travelled. Where accommodation benefits are also required, we pay 100% of the charge up to the benefit limit of \$75 per eligible hospital admission.

Additional features

Benefits for home nursing services provided by Recognised Providers only. 100% back up to annual limit of \$400 per person, per year.

Benefits for selected health screening services where no Medicare benefit is payable. 100% back up to annual limit of \$400 per person, per year.

Continuous Positive Airway Pressure (CPAP)-type devices

Up to \$500 benefit per member every 5 years towards the hire or purchase of an approved device. Conditions apply, refer to your Member Guide.
